2018 COLORAMA SALE

Columbus, Ohio

Friday – June 29 – 4:00 pm

You are cordially invited to submit a nomination to the Colorama Sale. The process is relatively easy, and the rewards can be a pleasant way to conclude a week of showing activities.

There are a few important steps to follow if you are considering nominating an animal from your herd:

1. The consigned animal **MUST** be shown in the open show.
2. Consigned animals:
 - a. Must be free of all contagious diseases.
 - b. Must have arrived on site with health papers completed to meet interstate travel requirements.
 - c. Must be negative for TB, BRUCELLOSIS and CAE prior to the sale (testing completed prior to your arrival at the show). The animal **MUST** arrive with these tests completed prior to nomination, but the animal must be listed on own health paper.
3. Promotional information is helpful for the display board if your animal is selected, e.g., show wins, production records, appraisal information and photos of related animals. If your animal is accepted, the committee will require pictures of relatives and will take a picture of the animal to be used on the ADGA website.

Also, new this year, if you plan to nominate an animal for the sale, we would encourage you to prepare a power point with pictures of animals and relatives who may not be present at the National Show. You may simply bring these pictures on a flash drive or send them to the chair prior to the sale.

The animals that are to be Colorama Sale consignments will be selected prior to the start of the National Show. A schedule of selection process will be announced onsite.
