## ADGA National Show 2018

Columbus, Ohio | June 23-30, 2018 | [nationalshow.adga.org](http://nationalshow.adga.org)

### Major Sponsorship Opportunity

The American Dairy Goat Association (ADGA) is the largest registry of dairy goats in the United States, with over 18,000 members. Every year ADGA holds a National Dairy Goat Show at different locations around the country and it will be held in Columbus, Ohio the week of June 23-30, 2018. Some of the top dairy goats in the world will be on display with approximately 2,500 of the nine recognized breeds on exhibit. Each day a different breed is shown, with the beginning of the week dedicated to youth activities. Attendees have consistently numbered between 400 and 600 dairy goat owners and spectators at this event, generating nearly one million dollars of revenue for surrounding businesses and vendors.

This event offers a unique opportunity for businesses to showcase their products with a large vendor area. Many of these vendors rely on this event as their main income for the year. The National Show relies heavily on your support to make this event a success.

In order to help keep this event a successful showcase for dairy goats and their products, we hope that you will participate in the sponsorship program. This year we are offering five levels of sponsorship:
