- CANCELLATIONS.** If notification is received by June 24, 2019, all monies except the original per animal entry fee will be refunded.
- ANIMAL REGISTRATIONS.** All Dairy Goats exhibited must be registered with the American Dairy Goat Association. **The original registration/recordation certificate for all registered animals of all ages is required at check-in. No signed transfers will be accepted.** To avoid your registration applications being delayed during the "Rush Season," we suggest you send yours to the ADGA office as soon as possible to allow for adequate processing time.  
**The Association Manager of ADGA or Staff of ADGA will not transport papers to the National Show site. It is the exhibitor's responsibility to have their own registration papers in their possession before traveling to the show.**
- BASE DATE.** The base date for computing the age of animals is July 7, 2019.
- The Junior and Senior shows are not separately sanctioned. Junior Champions will receive a restricted leg, if eligible.
- STATEMENT REGARDING CLARIFICATION OF OWNERSHIP OF ANIMALS EXHIBITED.**  
A. EXHIBITOR. An exhibitor must be the owner or member of a partnership owning the animal. Certificate of Registration/Recordation showing ownership must be available at check-in prior to being shown. All animals must be entered under the name of ownership on the papers. No signed transfers will be accepted. In specified group classes for Jr. and Sr. Get-of-Sire and Produce-of-Dam, animals need not be owned by exhibitors.

B. DESIGNATED HERD UNIT. If an animal is owned by members of a traditional family (i.e., father, mother, son or daughter) or by individuals who are currently using a designated herd name at the ADGA office, you may enter your animals as a “herd unit” and be considered as one exhibitor (does not apply to breeder for the purpose of award calculations). In order to qualify as a “herd unit” all animals be kept in the same herd at the same location. They must also be grouped together on one set of health papers listing the same place of origin. The “herd unit” decision is final on the closing date for entries. Once the “herd unit” option is chosen, all animals entered from the farm must be shown under the “herd unit”. An animal owned by any person in the “herd unit” may be substituted for one owned by any other person in the “herd unit”.

Exhibitors using the Designated Herd Unit option should include both the Designated Herd Unit name and the individual in whose name the animal is registered in the designated space on each entry form submitted.

For the purpose of Exhibitor Award calculations, a Designated Herd Unit entry will use all animals that qualified to be shown within the Designated Herd Unit. However, for Breeder Award calculations, the Designated Herd Unit designation will not be applied. This award will be based on memberships of each breeder as designated by member identification numbers.

Youth members showing in the 2019 Embedded Youth show may enter as part of a Designated Herd Unit and pay entry fees, but they will also be required to fill out an online entry form listing only the youth entries. Look under the Youth >> Forms menu on nationalshow.adga.org for an online form. This youth form must be completed by June 23, 2019.

7. **ANIMAL ARRIVAL AND RELEASE TIMES.** All animals must be in place no later than 7:00 PM PDT on Saturday, July 6, 2019, and must remain until release time, (as announced), Saturday, July 13, 2019. Arrivals will not be allowed to enter before 7:00 AM PDT on Saturday, July 6. Note: Youth participants and their animals must be in place and checked in by 1:00 PM PDT, Saturday, July 6. **All exhibitors must be off the grounds by 12:00 PM on Saturday, July 13. Please plan accordingly.**

8. **POLICY STATEMENT REGARDING CLARIFICATION ON REQUIREMENTS FOR EXHIBITING** (as passed by the Board of Directors, 10/90, and amended 2/93). Animals exhibiting at the ADGA National Show are required to stay for the duration of the show. This “duration of the show” is specified by the period of time indicated on the Schedule of Events, beginning from “Dairy Goats must be in Place” to the “Release of Dairy Goats.” Failure by exhibitors to comply with this rule will result in loss of points and their animal(s) placing(s) will be deleted from all records and publications. This also may result in disqualification from competing at future National Shows as determined by the Board of Directors. Exception for an emergency will be considered for early release, but must be presented, in writing, to the National Show

Chairperson.

9. **REGISTRATION PAPERS. Only ADGA registered animals can be shown.** All original registration/recordation certificates must be checked at CHECK-IN (thus prior to milk check and prior to any breeds being shown). Registration papers for non-show does will also be checked at CHECK-IN. No stamped duplicates will be allowed at the show.
10. **MILKOUT TIMES.** Senior doe milk-out times are listed on the Show Schedule. You will not be able to show any milker that has not passed through a milk-out check. Since the milk-out check is only an assurance that those does were milked out by the time checked, exhibitors are allowed to milk again any time **after** the official milkout if they so desire as long as they have gone through the milk check and have been milked-out. All exhibitors are reminded that judges do discriminate against overuddered does in the show ring.
11. **DRESS CODE WILL BE ENFORCED.** The ADGA National Show Committee realizes the focus is on your doe, but your appearance in the show ring projects an image to the fair management, the public, the media and your fellow dairy goat exhibitors. We would like you to help us put on a first-rate National Show. Please take as much care with your personal appearance and that of your helpers as you do with your dairy goats. All persons entering the show ring handling dairy goats in any classes are expected to be dressed in the following manner:
- Clean, neat and well groomed.
  - Clean white shirt – can have farm name, appropriate logo and/or trim with due consideration to public image including those watching live-stream. Exhibitors may be required to change if clothing is deemed inappropriate by the National Show Committee.
  - Long, white pants or skirts.
  - Closed toe shoes.
  - Should have some way to fasten animal number on back so that animal can be properly identified.
  - Should enhance, not detract from the animal being shown. If showing in many classes during the day, a change of show uniform may be necessary in order to project a professional image throughout the day.
  - All milk drawn in the show ring shall be milked into stainless steel milk buckets.

The following exhibitor uniforms or attire are **not acceptable** for National Show rings:

- Tight fitting knitted shirts, pants, leggings and/or leotards.
- Tank tops, muscle shirts, halter tops, bare midribs, spaghetti straps, tube tops, and see-through, fish-net, or any other transparent clothing.
- Sandals, thongs, flip-flops, or other opened toe shoes or bare feet.
- Shorts of any kind.
- Chore clothes.
- Milk pails, other than stainless steel, in the show ring.
- Hats or caps of any kind.
- Sunglasses

- Capri pants
- RELEASE FROM SHOW RING.** Exhibitors leaving the show ring prior to being excused by the Judges will forfeit **all** points earned in that breed. If a doe becomes ill in the show ring, inform the ring steward to contact the Judge who may excuse the doe without forfeiture of points.
  - DISPOSAL OF MILK.** All milk is to be disposed of only in areas designated by the Show Committee.
  - TATTOOS.** In accordance with ADGA rules, **there will not be any tattooing allowed at the show. Before departing for the show, be sure to check that the tattoos are legible and match the certificate, as issued by ADGA and that they match the tattoos listed on your CVI. DOUBLE CHECK THAT YOUR TATTOOS ARE CORRECT AND READABLE BEFORE LEAVING FOR THE SHOW.** A surprise tattoo check will be performed during one of the group classes of each breed to ensure that the proper animals are in the ring.

**15. HEALTH RULES & REGULATIONS.**

**HEALTH REQUIREMENTS FOR GOATS ENTERING OREGON FOR THE 2019 ADGA NATIONAL SHOW.**

**Veterinarians:**

All animals entering the State of Oregon for the 2019 ADGA National Show are subject to the following requirements. Since requirements can change on short notice, it is advisable to contact the Oregon Department of Agriculture at 503-986-4680 prior to issuing a CVI in order to obtain an entry permit number and to assure that all requirements are met. The guidelines described herein have been approved by the Oregon Department of Agriculture.

NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn until the animal and its paperwork have been inspected and approved for entry.

**Requirements:  
OREGON DEPARTMENT OF AGRICULTURE.**

- The State of Oregon requires a valid CVI (Health Certificate) within 30 days of entry. No testing is required, but the certificate must contain the Scrapies statement, "These animals have no known exposure to Scrapies." An entry permit number is required and is valid for 15 days. To obtain a permit number, as well as any regulatory updates, your veterinarian must call the Oregon Department of Agriculture at 503-986-4680 or email [ahforms@oda.state.or.us](mailto:ahforms@oda.state.or.us)

THEREFORE, GOATS AFFECTED BY THESE DISEASES CANNOT BE EXHIBITED.** A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Any dairy goat showing evidence of any disease, abscess in any stage, or any open contagious lesions will not be allowed to exhibit or show and will be subject to isolation or expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. **If any animal in a trailer is diagnosed with a contagious disease, the entire trailer of animals will not be permitted to unload and must leave the area.** The show veterinarian will inspect the animals and make the decision whether the animal will be housed or asked to leave. **NOTE: If you have any doubts as to the condition of an animal, leave them at home. Any suspected condition could result in having your animal refused admission.** This is for your benefit. All animals will receive equally rigorous inspection.

On call veterinarian will be Redmond Veterinary Clinic (541)-548-1048 during business hours.

**ALL ANIMALS ENTERING THE ADGA NATIONAL SHOW MUST HAVE A CVI DATED WITHIN 30 DAYS OF THE SHOW, INCLUDING THOSE FROM WITHIN OREGON. PLEASE MAKE SURE YOUR TATTOOS ARE LEGIBLE AND YOUR CVI IS COMPLETE AND CORRECT BEFORE YOU LEAVE HOME! If in doubt, have your vet contact the Oregon Dept of Ag.**

Exceptions to the pet policy are as follows: All dogs and cats imported into Oregon must comply with current Oregon Department of Agriculture regulations.

**Official Service Animals** will be allowed in the barns and need to be clearly marked as service animals while in the barn.

**ESA Animals (Emotional Support Animals)** are companion animals that a medical professional has determined provide benefit for a person with a diagnosed disability. ESA Animals are not allowed in goat housing area or around the show arena or vendor

THEREFORE, GOATS AFFECTED BY THESE DISEASES CANNOT BE EXHIBITED.** A statement from a veterinarian that an animal is being treated for these diseases is **not acceptable**. Any dairy goat showing evidence of any disease, abscess **in any stage**, or any open contagious lesions will not be allowed to exhibit or show and will be subject to expulsion depending on the nature and seriousness of the disease, abscess or lesion in question. **If any animal in a trailer is diagnosed with a contagious disease, the entire trailer of animals will not be permitted to unload and must leave the area.** The show veterinarian will inspect the animals and make the decision whether the animal will be housed or asked to leave. **NOTE: If you have any doubts as to the condition of an animal, leave them at home. Any suspected condition could result in having your animal refused admission.** This is for your benefit. All animals will receive equally rigorous inspection.

**Contact for on call vet:** Check with the Show office for information about on call vet services.

#### **ELECTRONIC IDENTIFICATION**

The tattoo is ADGA's primary identification method. A supplemental ID is one that may be used if the primary ID is evident, but unreadable. A supplemental EID implant must not only meet ADGA requirements, but those of Federal and State regulatory agencies. Just as with a tattoo, use of the EID implant when the tattoo is not legible requires that it be accompanied by a registration certificate when used for State and Federal programs. Refer to the 2019 ADGA Guidebook - Tattoo Policy and Electronic Identification for requirements.

Exhibitors being considered for punishment for the violation of show rules will be notified of the infraction at the show, if possible. If not possible, the exhibitor will be notified within 45 days of the show of the violation by certified mail. The exhibitor will have 21 days to respond to the show chairman setting forth any defense to the charges and/or any other matter respondent believes helpful to the resolution of the rule violation. Once the National Show committee has decided upon any action against the exhibitor, the exhibitor will be notified by certified mail 21 days prior to the Board of Directors meeting.

The National Show Committee may request that people leave the National Show and may bar them from participation in further functions for violation of ADGA National Show Rules. In such decisions, the National Show Committee shall consult the National Show Rules and the current ADGA Guidebook, which includes the National Code of Show Ring Ethics for Exhibitors. Such action must be approved by a majority of the National Show Committee members attending the show.

- B. Awarded to the highest producing doe in butterfat in each breed that has completed a 305-day or less lactation within the last 365 days and placing in the top 12 in her class.

### III. **Highest Lifetime Production Awards**

- A. Awarded to the highest lifetime production in milk in each breed (and placing in the top 12 in her class).
- B. Awarded to the highest lifetime production in butterfat by breed (and placing in the top 12 in her class).

Lifetime totals on record with ADGA will be used. If not at ADGA, application must have been made with entries along with an Individual Doe page showing lifetime totals for completed lactations. Records in progress on 2018 lactations will not be added to the total.

### IV. **Total Performer Award**

This award is designed to support animals which excel in all three areas of ADGA's performance programs. Points are allotted based on DHIA records, linear appraisal scores, and placement points from the doe's individual age class at the National Show. The award will be \$100.00 for the highest qualifying doe from each breed shown. This is a separate award from the individual production awards.

How to enter-

Provide copies of the DHIA record if not in the ADGA database. Only official records will be accepted. The records do not have to be the most recent, but the production record must be a single lactation of 305 days or less. Please indicate the record you want us to use and the year of appraisal you want to have considered and it will be verified against the database. **Production Record Entry Application must be included with National Show entries.** Documentation should be available at the show in case of questions. Does must be shown at the National Show. There is no entry fee for this award.

Point calculations-

Points are given in each of the three categories, and will be adjusted so that production points (milk, fat and protein) roughly balance with type points (appraisal and class placings).

Type score –

- I. Appraisal score – actual score X2 (Example – FS90 x 2 = 180 pts.)
- II. Placing score – class placing points X 6 (See National Show packet for breakdown. Example – 1<sup>st</sup> with 1<sup>st</sup> udder = (25+5) X 6 = 180 pts)

Production score –

- I. Milk production (lbs) X .07 (Example – 2500 lbs = 175 pts)
- II. Fat + Protein (lbs) X 1 (1 point for each lb)

**All entries are considered based upon ADGA data or non-ADGA data if provided with entry. Bring verification if there are questions.**

**Refer to National Show Rule #18 for entry and verification requirements**
