

2021 Policy for Exhibitor Help at ADGA National Show

1) Exhibitors may have unlimited immediate family help (spouse, children, parents). Family may come in with exhibitor or may arrive later in week. Those arriving later in the week must contact one of the chairs upon arrival and will check in at the outside door near the show office. They will be temp checked, be required to turn in a covid waiver and to receive a wristband. They will be subject to the same Covid-19 rules as all exhibitors are following.
