

FREQUENTLY ASKED QUESTIONS

■ Do I have to udder my doe for Showmanship?

No, we are informing the judges that you have been told that uddering your doe will not be taken into account. We especially do not suggest excessive uddering of does.

■ Can a milkstand be used to hold the doe for the fitting contest?

No, the rules specify that no more than one foot may be off the ground at one time.

■ Are there specific rules regarding my attire in the ring?

All persons entering the show ring handling dairy goats in any classes are expected to be dressed in the following manner:

- Clean, neat and well groomed.
- Plain white shirts only. No names or farm logos permitted.
- Long, white pants or skirts.
- Closed toe shoes.
- Should have some way to fasten animal number so that animal can be properly identified.
- Should enhance, not detract from the animal being shown.
- If showing in many classes during the day, a change of show uniform may be necessary in order to project a professional image throughout the day.
- All milk drawn in the show ring shall be milked into stainless steel milk buckets.

The following exhibitor uniforms or attire are **not acceptable** for National Show rings:

- Tight fitting knitted shirts, pants, leggings and/or leotards.
- Tank tops, muscle shirts, halter tops, bare midriffs, spaghetti straps, tube tops, and see-through, fish-net, or any other transparent clothing.
- Sandals, thongs, flip-flops, or other opened toe shoes or bare feet.
- Shorts of any kind.
- Chore clothes.
- Milk pails, other than stainless steel, in the show ring.
- Hats or caps of any kind.
- Sunglasses
- Capri pants

■ Can I bring my showmanship doe just for the weekend?

Yes. There will be a \$10.00 fee if you are not exhibiting the doe in the Open Show and you must comply with the same health requirements as other participants in the show. You can use any doe that is either being shown in the open show or that you bring just for the showmanship contest (if you have reserved a pen on the youth entry form). The doe for showmanship does not have to be owned by you. If you intend to bring a doe only for youth events, you need to reserve a pen prior to June 12 and the animal will need to be removed from the premises by Monday morning. **Pens are limited to animal use and tack pens will not be available. Please plan accordingly. Animals cannot be housed on trailers or in trucks as per the general ADGA rules.**

■ How many pairs of clippers can we use in the fitting contest?

You are allowed to use only **one pair of clippers at a time**. You may, however, bring in any number of clippers as long as only one pair is being used at a time. You may not use any blade that cuts closer than a size 10 blade (i.e., no surgical blades).

■ Does our team need to provide an animal for our fitting team? Yes, you need to bring one doe the size of a senior kid (large breeds) or a Nigerian dry Jr or Sr yearling. It should not have any fitting done prior to the class and should have sufficient length hair to make new clipping obvious. Feet are allowed to be trimmed prior to class. Note that the judges will be evaluating animals both prior and following the class. So having an animal that requires minimal fitting while in the class may not be as big of an improvement in the judges eyes.

■ Do we have to give reasons in the judging portion of the management contest?

Generally, the answer to this question is No, simply due to time constraints. However, we do reserve the right to ask the seniors to give one set of reasons if time allows, and it is requested by the official judges. If reasons are expected, participants will be notified previous to the start of the judging class.

■ What does the management portion of the Management/Judging Contest include?

Questions concerning any phase of dairy goat ownership or management, including, but not limited to herd health, veterinary medicine as it relates to dairy goats, dairy goat feeds and hays, understanding dairy goat pedigrees and DHIA forms, and any subject addressed in the ADGA Guidebook.

	100 possible points
12. Tarps may be no larger than 12 x 12.

Premier Youth Exhibitor Contest

1. To participate in this contest, complete and submit an application (available at the show) to the designated committee member by the deadline.
2. This award is presented to the individual (Junior and Senior) with the highest cumulative score based on the following criteria:

YOUTH CONTEST POINTS:

Showmanship: Points for top 10 placings (1st-20, 2nd-18, etc. to 10th-2). Fitting Team: Points for member of top 5 teams (1st-20, 2nd-16, 3rd-12, etc. to 5th-4). Management: Points for top 10 placings (1st-20, 2nd-18, etc. to 10th-2). Judging: Points for top 10 placings (1st-20, 2nd-18, etc. to 10th-2)

OPEN SHOW POINTS: (Youth embedded show placings may not be used)

Points are based on the youth's top three placing animals that meet Rule #3 based on the following scale (1st-10, 2nd-9.5, 3rd-9, 4th-8.5, etc. to 20th-0.5) and additional 2 points given for each of these three animals that was bred by the youth.

3. All points from the open show (see criteria above) must be from animals which list the youth as **sole owner** on the official ADGA registry certificate. (This does not prevent the youth from participating in a family unit, or showing animals owned jointly or by others. However, only the animals owned individually by the youth participant can be used to count towards premier youth exhibitor points.) Additionally, only placings of individual animals in age classes will be used (i.e., no group classes, production, best udder awards or championship classes) and animals may be used only once.
4. To be eligible for this award, the youth must participate in the showmanship contest, the fitting team contest, and the management/judging contest. (The fitting team and management/judging classes do not require you to bring a goat and you are permitted to borrow a goat from anyone showing at the show who will let you use their animal for the showmanship contest.) You do not have to show an animal in the open show to be eligible for this award.
5. The winner will be announced at the end of the week at the awards ceremony.
6. In the case of a tie, the combined scores of the three youth events (showmanship, fitting team, and management/judging) will be used in determining the winner.
7. **IMPORTANT:** You must own the animals used for your open show points in the Premier Youth Exhibitor contest. The ADGA Youth Committee is requiring that all animals used in this computation be registered solely in the youth's name. This does not mean that all animals the youth show in the open show must be registered as such, but any animal not solely in their name cannot be used for open show points. This does not include the does used in showmanship, unless they are also being used as open show points in the Premier Youth Contest.
8. Youth do not have to take part in the Embedded Youth Show to be eligible for Premier Youth award consideration.

- *The same criteria will be used as described for the Premier Youth Exhibitor for Breed Specific Premier Youth Exhibitor Awards .*
