Animals that will be transported to locations other than the National Show site or back to their point of origin should have health papers that designate their final destination. No animals will be allowed to be penned in trailers or in any portable pen on the facility grounds. Trailers will be checked on a daily basis.**

3. **CANCELLATIONS.** If notification is received by June 30, 2023, all monies except the original per animal entry fee will be refunded.

4. **ANIMAL REGISTRATIONS.** All Dairy Goats exhibited must be registered with the American Dairy Goat Association. **The original registration/recordation certificate for all registered animals of all ages is required at check-in. No signed transfers will be accepted.** To avoid your registration applications being delayed during the "Rush Season," we suggest you send

yours to the ADGA office as soon as possible to allow for adequate processing time.

****The ADGA Board of Directors has approved the use of stamped duplicates of applications for registry to show an animal of any age at all shows through December 31, 2023. This measure is necessary due to the delays in the ADGA computer conversion project.****

ADGA Staff will not transport papers to the National Show site. It is the exhibitor's responsibility to have the appropriate papers in their possession before traveling to the show.

5. **BASE DATE.** The base date for computing the age of animals is July 16, 2023.
6. The Junior and Senior shows are not separately sanctioned. However, Junior Champions will receive a restricted leg, if eligible.
7. **STATEMENT REGARDING CLARIFICATION OF OWNERSHIP OF ANIMALS EXHIBITED.**

A. EXHIBITOR. An exhibitor must be the owner or member of a partnership owning the animal. Certificate of Registration/Recordation or Stamped Duplicate showing ownership must be available at check-in prior to being shown. All animals must be entered under the name of ownership on the papers. No signed transfers will be accepted. In specified group classes for Jr. and Sr. Get-of-Sire and Produce-of-Dam, animals need not be owned by exhibitors.

B. DESIGNATED HERD UNIT. If an animal is owned by members of a traditional family (i.e., father, mother, son or daughter) or by individuals who are currently using a designated herd name at the ADGA office, you may enter your animals as a "herd unit" and be considered as one exhibitor (does not apply to breeder for the purpose of award calculations). In order to qualify as a "herd unit" all animals be kept in the same herd at the same location. They must also be grouped together on one set of health papers listing the same place of origin. The "herd unit" decision is final on the closing date for entries. Once the "herd unit" option is chosen, all animals entered from the farm must be shown under the "herd unit". An animal owned by any person in the "herd unit" may be substituted for one owned by any other person in the "herd unit".

For the purpose of Exhibitor Award calculations, a Designated Herd Unit entry will use all animals that qualified to be shown within the Designated Herd Unit. However, for Breeder Award calculations, the Designated Herd Unit designation will not be applied. This award will be based on memberships of each breeder as designated by member identification numbers.

Youth members showing in the Embedded Youth show may enter as part of a Designated Herd Unit and pay entry fees, but they will also be required to fill out an online entry

form listing only the youth entries. Look under the Youth >> Forms menu on nationalshow.adga.org for an online form. This youth form must be completed by June 30, 2023.

8. **ANIMAL ARRIVAL AND RELEASE TIMES.** All animals must be in place no later than 7:00 PM PST on Saturday, July 15, 2023, and must remain until release time, (as announced), Thursday, July 20, 2023. Arrivals will not be allowed to enter before 7:00 AM PST on Saturday, July 15, 2023. Note: Youth participants and their animals must be in place and checked in by 1:00 PM PST, Saturday, July, 15, 2023. **All exhibitors must be off the grounds by 12:00 Noon on Friday, July 21, 2023.**

9. **POLICY STATEMENT REGARDING CLARIFICATION ON REQUIREMENTS FOR EXHIBITING** (as passed by the Board of Directors, 10/90, and amended 2/93). Animals exhibiting at the ADGA National Show are required to stay for the duration of the show. This “duration of the show” is specified by the period of time indicated on the Schedule of Events, beginning from “Dairy Goats must be in Place” to the “Release of Dairy Goats.” Failure by exhibitors to comply with this rule will result in loss of points and their animal(s) placing(s) will be deleted from all records and publications. This also may result in disqualification from competing at future National Shows as determined by the Board of Directors. Exception for an emergency will be considered for early release, but must be presented, in writing, to the National Show Chairperson.

10. **MILKOUT TIMES.** Per Committee recommendation and Board approval, mandatory Milkout is no longer a requirement for exhibition at a National Show.

11. **DRESS CODE WILL BE ENFORCED.** The ADGA National Show Committee realizes the focus is on your doe, but your appearance in the show ring projects an image to the fair management, the public, the media and your fellow dairy goat exhibitors. We would like you to help us put on a first-rate National Show. Please take as much care with your personal appearance and that of your helpers as you do with your dairy goats.

All persons entering the show ring handling dairy goats in any classes are expected to be dressed in the following manner:

- Clean, neat and well groomed.
- Clean white shirt – can have farm name, appropriate logo and/or trim with due consideration to public image including those watching live-stream. Exhibitors may be required to change if clothing is deemed inappropriate by the National Show Committee.
- Long, white pants or skirts.
- Closed toe shoes.
- Should have some way to fasten animal number on back so that animal can be properly identified.
- Should enhance, not detract from the animal being shown. If showing in many classes during the day, a change of show uniform may be necessary in order to project a professional image throughout the day.
- All milk drawn in the show ring shall be milked into stainless steel milk buckets.

The following exhibitor uniforms or attire are **not acceptable** for National Show rings:

- Tight fitting knitted shirts, pants, leggings and/or leotards.
- Tank tops, muscle shirts, halter tops, bare midriffs,

spaghetti straps, tube tops, and see-through, fishnet, or any other transparent clothing.

- Sandals, thongs, flip-flops, or other opened toe shoes or bare feet.
- Shorts of any kind.
- Chore clothes.
- Milk pails, other than stainless steel, in the show ring.
- Hats or caps of any kind.
- Sunglasses
- Capri pants

12. **RELEASE FROM SHOW RING.** Exhibitors leaving the show ring prior to being excused by the Judges will forfeit all points earned in that breed. If a doe becomes ill in the show ring, inform the ring steward to contact the Judge who may excuse the doe without forfeiture of points.

13. **DISPOSAL OF MILK.** All milk is to be disposed of only in areas designated by the Show Committee.

14. **TATTOOS & ELECTRONIC IDENTIFICATION.** In accordance with ADGA rules, **there will not be any tattooing allowed at the show. Before departing for the show, be sure to check that the tattoos are legible and match the certificate, as issued by ADGA and that they match the tattoos listed on your CVI. Tattoos will be read during Vet Check. DOUBLE CHECK THAT YOUR TATTOOS ARE CORRECT AND READABLE BEFORE LEAVING FOR THE SHOW.**

A surprise tattoo check will be performed during one of the group classes of each breed to ensure that the proper animals are in the ring. The tattoo is ADGA’s primary identification method. A supplemental ID is one that may be used if the primary ID is evident, but unreadable. A supplemental EID implant must not only meet ADGA requirements, but those of Federal and State regulatory agencies. Just as with a tattoo, use of the EID implant when the tattoo is not legible requires that it be accompanied by a registration certificate when used for State and Federal programs. The EID must be listed on the Registration Certificate or Stamped Duplicate. Exhibitors must provide their own reader. Refer to the 2023 ADGA Guidebook - Tattoo Policy and Electronic Identification for requirements.

15. **BEDDING**
The facility allows Exhibitors to use shavings, straw, or a combination of both.

16. **HEALTH RULES & REGULATIONS. HEALTH REQUIREMENTS FOR GOATS ENTERING OREGON FOR THE 2023 ADGA NATIONAL SHOW.**

NO animal will be admitted to the fairgrounds unless it meets the requirements below.

NO animal is to be unloaded or enter a barn until the animal and its paperwork have been inspected and approved for entry.

Effective immediately, horses, cattle, bison, sheep, goats, and swine originating in a county listed by the United States Department of Agriculture (USDA) as being under quarantine for active VSV cases must comply with the following (in addition to all other existing import requirements):

- The animals must be free of clinical signs of vesicular stomatitis on the day of shipment.
- The animals must not have originated from premises under quarantine for VSV.
- Animals must be accompanied by a Certificate of Veterinary Inspection (CVI) issued within 24 hours of movement, which states: "The animals represented on this Certificate of Veterinary Inspection have not originated from premises under quarantine for vesicular stomatitis."

Susceptible livestock originating in a county with active VSV cases are not eligible for an exemption from obtaining an import permit when utilizing an electronic CVI.

Animals known by the exhibitor to have an infectious, contagious, communicable disease or to have been exposed to an infectious, contagious, communicable disease, or to be from a quarantined herd may not be entered in this exhibition. SORE MOUTH, ABSCESSSES, DIARRHEA, AND RINGWORM ARE CONSIDERED COMMUNICABLE DISEASES. THEREFORE, GOATS AFFECTED BY THESE DISEASES CANNOT BE EXHIBITED. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable. Any dairy goat showing evidence of any disease, abscess in any stage, or any contagious lesions will not be allowed to exhibit or show and will be subject to expulsion. **If any animal in a trailer is diagnosed with a contagious disease, the entire trailer of animals will not be permitted to unload and must leave the area.** Animals with unsightly lesions or animal welfare concerns including but not limited to healing wounds, obvious lameness, traumatic injuries, may also be dismissed. The show veterinarian will inspect the animals and make the decision whether the animal will be housed or asked to leave. NOTE: **If you have any doubts as to the condition of an animal, leave them at home. Any suspected condition could result in having your animal or herd refused admission.** This is for your benefit. All animals will receive equally rigorous inspection.

IV. **Total Performer Award**

2023 ADGA NATIONAL SHOW ♦ REDMOND, OREGON ♦ JULY 16-20, 2023

This award is designed to support animals which excel in all three areas of ADGA's performance programs. Points are allotted based on DHIA records, linear appraisal scores, and placement points from the doe's individual age class at the National Show. The award will be \$100.00 for the highest qualifying doe from each breed shown. This is a separate award from the individual production awards.

How to Enter-

Provide copies of the DHIA record if not in the ADGA database. Only official records will be accepted. The records do not have to be the most recent, but the production record must be a single lactation of 305 days or less. Please indicate the record you want us to use and the year of appraisal you want to have considered and it will be verified against the database. **DHIR herd code must be included with National Show entries.** Documentation should be available at the show in case of questions. Does must be shown at the National Show. There is no entry fee for this award. Please check the box at the bottom of the online entry form if your doe has a complete DHIR lactation and linear appraisal score.

Point calculations-

Points are given in each of the three categories, and will be adjusted so that production points (milk, fat and protein) roughly balance with type points (appraisal and class placings).

Type score –

- I. Appraisal score – actual score X2 (Example – FS90 x 2 =180 pts.)
- II. Placing score – class placing points X 6 (See National Show packet for breakdown. Example – 1st with 1st udder = (25+5) X 6 = 180 pts)

Production score –

- I. Milk production (lbs) X .07 (Example – 2500 lbs = 175 pts)
- II. Fat + Protein (lbs) X 1 (1 point for each lb)

All entries are considered based upon ADGA data or non-ADGA data if provided with entry. Bring verification if there are questions.

PREMIER EXHIBITOR AWARD *Each Breed*

This award is made to the exhibitor of eight or fewer does winning the most points in open single competition. At least one doe must be in milk. If more than eight does are shown by one exhibitor, the award is automatically figured on top eight does winning the most points. Production points and udder points are included. Limited to the two highest per class.

PREMIER BREEDER *Each Breed*

The Premier Breeder award is made to the breeder of eight or fewer does winning the most points in open single competition, regardless of the current exhibitor. At least one doe must be in milk. If more than eight does bred by one breeder are shown, then the award is automatically figured on the top eight does winning the most points.
