Dear Colorama Sale Guests,

The Colorama Sale provides the buyer an excellent opportunity to view the consigned doe and related animals as well as the strength of the entire herd being shown at the National Show.

The animals presented for sale are some of the strongest we have seen in many years. The animals purchased in this sale from previous years have gone on to be successful does beyond the National Show. This year we offer several select animals representing well-established herds from across the country.

We would certainly like to thank all who took the time to nominate an animal, and ask that you consider doing so again at future sales. Without the support and help of many members, this sale would not be able to reach the level of success it has achieved.

My appreciation to the host committee, cheese, product, and wine donors, committee members, and all who have helped to make the 2023 sale one of the best yet!

Sincerely,

*Sara Koehn-Walberg*

Chairperson
