To avoid your registration applications being delayed during the “Rush Season,” we suggest you send yours to the ADGA office as soon as possible to allow for adequate processing time.

The Association Manager of ADGA or Staff of ADGA will not transport papers to the National Show site. It is the exhibitor's responsibility to have their own registration papers in their possession before traveling to the show.

6. BASE DATE.

The base date for computing the age of animals is July 14, 2024. The Junior and Senior shows are not separately sanctioned. Junior Champions will receive a restricted leg, if eligible.

7. STATEMENT REGARDING CLARIFICATION OF OWNERSHIP OF ANIMALS EXHIBITED.

EXHIBITOR. An exhibitor must be the owner or member of a partnership owning the animal. Certificate of Registration/Recordation showing ownership must be available at check-in prior to being shown. All animals must be entered under the name of ownership on the papers. No signed transfers will be accepted. In specified group classes for Jr. and Sr. Get-of-Sire and Produce-of- Dam, animals need not be owned by exhibitors. **DESIGNATED HERD UNIT.** If an animal is owned by members of a traditional family (i.e., father, mother, son or daughter) or by individuals who are currently using a designated herd name at the ADGA office, you may enter your animals as a “herd unit” and be considered as one exhibitor (does not apply to breeder for the purpose of award calculations). In order to qualify as a “herd unit” all animals be kept in the same herd at the same location. They must also be grouped together on one set of health papers listing the same place of origin. The “herd unit” decision is final on the closing date for entries. Once the “herd unit” option is chosen, all animals entered from the farm must be shown under the “herd unit”. An animal owned by any person in the “herd unit” may be substituted for one owned by any other person in the “herd unit”.

Exhibitors using the Designated Herd Unit option should include both the Designated Herd Unit name and the individual in whose name the animal is registered in the designated space on each entry form submitted.

For Exhibitor Award calculations, a Designated Herd Unit entry will use all animals that qualified to be shown within the Designated Herd Unit. However, for Breeder Award calculations, the Designated Herd Unit designation will not be applied. This award will be based on memberships of each breeder as designated by member identification numbers.

Youth members showing in the 2024 Embedded Youth show may enter as part of a Designated Herd Unit and pay entry fees, but they will also be required to fill out an online entry form listing only the youth entries. Look under the Youth Forms menu on nationalshow@adga.org for an online form. This youth form must be completed by June 24, 2024

8. ANIMAL ARRIVAL AND RELEASE TIMES.

All animals must be in place no later than 7:00 PM EDT on Saturday, July 13, 2024. Note: Youth participants and their animals must be in place and checked in by 1:00 PM EDT, Saturday, July 13. **All exhibitors must be off the grounds by 12:00 PM on Friday, July 12. Please plan accordingly.**

9. POLICY STATEMENT REGARDING CLARIFICATION ON REQUIREMENTS FOR EXHIBITING

Animals exhibiting at the ADGA National Show are required to stay for the duration of the show. This "duration of the show" is specified by the period of time indicated on the Schedule of Events, beginning from "Dairy Goats must be in Place" to the "Release of Dairy Goats." Failure by exhibitors to comply with this rule will result in loss of points and their animal(s) placing(s) will be deleted from all records and publications. This also may result in disqualification from competing at future National Shows as determined by the Board of Directors. Exception for an emergency will be considered for early release, but must be presented, in writing, to the National Show Chairperson.

REGISTRATION PAPERS. Only ADGA registered animals can be shown. All original registration/recordation certificates, Stamped Duplicates, or Stamped Application for Registration or Recordation must be checked at CHECK-IN (thus prior to any breeds being shown). Registration papers for non-show does will also be checked at CHECK-IN.

10. PRE-SHOW MILKOUT

There will be NO pre-show Milkout for the 2024 show. We ask all exhibitors to use discretion when they plan milking times. All exhibitors are reminded that judges do discriminate against overruddered does in the show ring.

11. DRESS CODE WILL BE ENFORCED.

The ADGA National Show Committee realizes the focus is on your doe, but your appearance in the show ring projects an image to the public, the media, and your fellow dairy goat exhibitors. We would like you to help us put on a first-rate National Show. Please take as much care with your personal appearance and that of your helpers as you do with your dairy goats. All persons entering the show ring handling dairy goats in any classes are expected to be dressed in the following manner:

- Clean, neat and well groomed.
- Clean white shirt – can have farm name, appropriate logo and/or trim with due consideration to public image including those watching live-stream. **Exhibitors may be required to change if clothing is deemed inappropriate by the National Show Committee.**
- Long, white pants or skirts.
- Closed toe shoes.
- Should have some way to fasten animal number on back so that animal can be properly identified.
- Should enhance, not detract from the animal being shown. If showing in many classes during the day, a change of show uniform may be necessary in order to project a professional image throughout the day
- White National Show t-shirts from previous years are acceptable.
- All milk drawn in the show ring shall be milked into stainless steel milk buckets.

The following attire is **not acceptable** for National Show rings

- Tight fitting knitted shirts, pants, leggings and/or leotards.
- Sandals, thongs, flip-flops, or other opened toe shoes or bare feet.:
- Chore clothes.
- Shorts of any kind

- Hats or caps of any kind (Contact the National Show Chair regarding religious exceptions.)
- Sunglasses
- Capri Pants
- Tank tops, muscle shirts, halter tops, spaghetti straps, tube tops, any see-through or transparent clothing
- No shirts with any logos or graphics other than herd logos or white Official National Show t-shirts.

12. RELEASE FROM SHOW RING.

Exhibitors leaving the show ring prior to being excused by the Judges will forfeit **all** points earned in that breed. If a doe becomes ill in the show ring, inform the ring steward to contact the Judge who may excuse the doe without forfeiture of points.

13. DISPOSAL OF MILK.

All milk is to be disposed of only in areas designated by the Show Committee.

14. TATTOOS.

In accordance with ADGA rules, **there will not be any tattooing allowed at the show. Before departing for the show, be sure to check that the tattoos are legible and match the certificate, as issued by ADGA and that they match the tattoos listed on your CVI. DOUBLE CHECK THAT YOUR TATTOOS ARE CORRECT AND READABLE BEFORE LEAVING FOR THE SHOW. An EID that is printed on the Certificate of Registration and also on the CVI is acceptable as a form of identification in the event of an illegible tattoo.** A surprise tattoo check will be performed during one of the group classes of each breed to ensure that the proper animals are in the ring.

15. ELECTRONIC IDENTIFICATION

The herdowner must provide the reader if an EID is used for identification. The tattoo is ADGA's primary identification method. A supplemental ID is one that may be used if the primary ID is evident, but unreadable. A supplemental EID implant must not only meet ADGA requirements, but those of Federal and State regulatory agencies. Just as with a tattoo, use of the EID implant when the tattoo is not legible requires that it be accompanied by a registration certificate when used for State and Federal programs. Refer to the 2024 ADGA Guidebook - Tattoo Policy and Electronic Identification for requirements.

**** If your veterinarian cannot read the tattoo, please have them state "Tattoo Illegible" on the CVI and list the EID. (840 microchip number<)**

16. RELEASE FROM SHOW RING.

Exhibitors leaving the show ring prior to being excused by the Judges will forfeit **all** points earned in that breed. If a doe becomes ill in the show ring, inform the ring steward to contact the Judge who may excuse the doe without forfeiture of points.

The CVI shall contain the following statement or one substantially similar: "I certify as an accredited veterinarian that the above-described animals have been inspected by me and that they are not showing signs of infection or communicable disease (except if noted). The vaccinations and results of tests are as indicated on the certificate. To the best of my knowledge, the animals listed on this certificate meet the state of destination and federal interstate requirements."

NOTE: **If you have any doubts as to the condition of an animal, leave them at home. Any suspected condition could result in having your animal refused admission.** This is for your benefit. II. **Highest Production Award**

- A. Awarded to the highest producing doe in milk in each breed that has completed a 305-day or less lactation within the last 365 days and placing in the top 12 in her class.
- B. Awarded to the highest producing doe in butterfat in each breed that has completed a 305-day or less lactation within the last 365 days and placing in the top 12 in her class.

III. **Highest Lifetime Production Awards**

- A. Awarded to the highest lifetime production in milk in each breed (and placing in the top 12 in her class).
- B. Awarded to the highest lifetime production in butterfat by breed (and placing in the top 12 in her class).

Lifetime totals on record with ADGA will be used. If not at ADGA, the application must have been made with entries along with an Individual Doe page showing lifetime totals for completed lactations. Records in progress on 2024 lactations will not be added to the total.

III **Total Performer Award**

This award is designed to support animals which excel in all three areas of ADGA's performance programs. Points are allotted based on DHIA records, linear appraisal scores, and placement points from the doe's individual age class at the National Show. The award will be \$100.00 for the highest qualifying doe from each breed shown. This is a separate award from the individual production awards.

How to enter

Provide copies of the DHIA record if not in the ADGA database. Only official records will be accepted. The records do not have to be the most recent, but the production record must be a single lactation of 305 days or less. Please indicate the record you want us to use and the year of appraisal you want to have considered and it will be verified against the database.

Production Record Entry Application must be included with National Show entries. Documentation should be available at the show in case of questions. Does must be shown at the National Show. There is no entry fee for this award.

Point calculations

Points are given in each of the three categories and will be adjusted so that production points (milk, fat and protein) roughly balance with type points (appraisal and class placings).

Type score

- I. Appraisal score – actual score X2 (Example – FS90 x 2 = 180 pts.)
- II. Placing score – class placing points X 6 (See National Show packet for breakdown. Example – 1st with 1st udder = (25+5) X 6 = 180 pts)

Production score

- I. Milk production (lbs.) X .07 (Example – 2500 lbs. = 175 pts)
- II. Fat + Protein (lbs.) X 1 (1 point for each lb.)

All entries are considered based upon ADGA data or non-ADGA data if provided with entry. Bring verification if there are questions.

Refer to National Show Rule #22 for entry and verification requirements.
